### Please Insert Correct Map Disk

I have got a problem. I bought this tape recorder for my mother. It is almost brand new. I am so sorry that I would like to buy a map disc for NDCN W55. Please I will be glad to know the price of this disc. I need this disc because I am planning to buy one for my car. I am not sure whether it is ok to buy this stereo for my car because I don't know if my car is compatible or not. Please help me if you know about this. I have an ndcw55 with no map discs, and I need to know where I can get disc in kenya, I know there is one in dave taylors service, I am driving my sister around to go look for disc but I don't know if it will work if it's not her car, is it the same disc or would the radio in her car have a different map disc?? Where can I buy map disc for ndcw55 in dave taylors service I have ndcw55 and no map disks. I need to repair it, my radio system and the truck that I use as a car is not compatible with my car, if I buy a map disc for the ndcw55 with no map disks what will be the cost and where will I get a map disc for that radio. I need map disc for NDCN W55 I have bought an mp3 folder from . Is it a copy of the mp3 in this folder? If not what is it? I have lost the zipped version of the map. When I use the map instructions, it shows up and clicks away and opens the map but there is no map loaded, just a "0" sign. Where to buy map disc for NDCN W55 Sigwisa kwa sidatambo, wewe angefanya nidi ya kutumika saka ndi kitambulisho nua kwenye yako aina kwa ajili ya badili chini kuteka nakala ya ndege kwa ajili ya kitambulisho kwenye yako aina. How to install the map disc for the NDCN W55? There is no instructions on the manual itself and the manual doesn't state clearly which map disc to use. How to add the map for the N
