Q: Get the indices of the current buffer I want to get the indices of the current buffer, and iterate through it

```
jquery $(".class1").each(function(i){ //do something here });
```

A: You can use `index()` method of the jQuery object like this:

```
$(".class1").each(function(i){
```

console.log(\$(this).index()); }); Sen. John McCain dies, ending a political career Follow RT on The US Senator and 2008 presidential candidate, John McCain has died. He was 81. The cause of death is not immediately known. McCain, who had represented Arizona for more than 35 years, lost to Barack Obama in the November elections. McCain was a member of the US Navy and served as a bomber pilot in the Vietnam War. He was captured, tortured, and held as a prisoner of war. After his release, he turned to politics and served in the House of Representatives and the Senate. McCain served in the Senate for six years and was the Republican candidate for president in 2008. His

campaign was hindered by his declining health after being diagnosed with cancer. On Wednesday, McCain told ABC's This Week, that he would be suspending his campaign indefinitely, saying: "we're going to be back, and the people of Arizona 2d92ce491b
