November 27, 2015 - The game's scripting engine crashes and my computer freezes. .
Ever 17: The Out of Infinity Apathy â€œ Midnight Collection ~Vol. 2~ was introduced to the game on November 27, 2015. After that, I tried to download the game data to my computer and play it, but I got an error message like this (in bold): The file is not compatible with this version of the engine. Please go to the file below to change your engine and start playing again. Your file is located in the \\cache_patch folder. You can find it in the folder you installed, for example C:\\Games\\EERIA. Run the file to fix your engine.
