Artists and the animated faces of virtual players are also able to animate with HyperMotion Technology. Players will take on the role of the next breakout soccer star in FIFA 22, with a greater emphasis on mastery and individualism as they choose between one of seven player archetypes (e.g. Forward, Center-Mid, Striker, Attacking Mid, Defensive Mid, Defensive Mid and Goalkeeper). New Tactics; New Navigation and New Commentary The core menu will be redesigned to highlight what's new and fun within the game, which will enable players to quickly and easily find matches and information about their favorite players and teams. A brand-new navigation system will also be revealed, which will create a new, fresh and immersive gameplay experience for all players. Players will be able to dive into the full history of any player by looking up details and stats on the FUT Points leaderboards. An in-game tool called the

Midfield Traversal meter has been added, which gives players a tool to help control and shape the match depending on their personal preference. The new Navigation menu offers players the following navigation options: Menu Players FUT Manager All Players Player-Sorted Players Players By Team Players By Player FUT Points Players New FUT Items Players Player Spots Player FUT Moments Player-Sorted Moments Player FUT Moments FUT Moments For Players Player Teams Friendlies Friendlies View World Cup History World Cup History View UCL Groups UCL Groups View EFL Matches EFL Matches View Combined Online Seasons

Players will be able to connect with their FUT friends in new ways with the introduction of the [FUT] Friend Messages and [FUT] Messages in the Club menu. The first player in a match will now have a unique voice and commentary for the duration of the match.

The Legend of the Beautiful Game Inspired by the release of FIFA 25, the new Legend of the Beautiful Game mode will allow players

to test their skills in their favorite matches from across the history of the sport. Players will be able to control their favorite players, coaches and managers and see the history of a match in new ways through this new addition. Leading up to the launch of the new game on Sept. 10, EA SPORTS has launched a unique campaign called “Challenge It” in major E3 2018 locations such as LA, New York and Moscow, which brings together celebrities
