SAM Broadcaster V 4.9.6 CrackTag Archives: Around the Bend Question: What has become of the classic folk art of making accordion-style oil paintings? Where have the artists gone who made them? Answer: At some point in the past, artists around the world began making accordion-style paintings using a mixture of thumb-sized blocks of oil paint, collage materials, and wood, and you can buy them at craft stores like Michael's. The artist who taught me how to make these paintings, now gone, did them the most elegant, skillful way, but the thousands of other versions that you find on the internet that are popping up today are usually messy and not much good to look at. Why has nobody rediscovered the art of this kind of painting? I suspect that it's because for the past couple of years, people have been focused on something else: the transition of oil to acrylic paint. The move to acrylic is so well-publicized and well-understood that even though this particular type of painting d0c515b9f4
