Fifa 22 Features Key:

- Intuitive dribbling controls
- Premier League season more realistic than ever. Includes six new stellar young, young adults and young debutants
- Intelligent AI controls take into account how a player plays and reacts in an actual football match, managing their stamina and fatigue levels, making them more intelligent and realistic
- The most authentic FIFA soccer experience ever
- FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels, and on-ball actions is used to power FIFA 22 gameplay.
 - GAME MODES
 - Career Mode – Live out your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro's journey through the game.
 - FIFA Ultimate Team.
