And the school district in Kennesaw, Georgia, where the alleged plan was made, has published the letter to parents regarding the "Theatre of Pain." The letter contains all the following information, as well as a pledge form. 1. The school will play the part of Dr. Frank N. Furter and the school will run 24 hours. (Yes, I know that The Rocky Horror Picture Show takes place over two hours. And yes, some of it is fluff—namely, the band playing "Time Warp.") 2. The school's time window for the play is Nov. 20-21, 2011. 3. The school's website has been prepared to unveil at midnight the Nov. 21 performance. The cast is all high school students. 4. Three schools, including Kennesaw State University and Cobb Technical College, have been invited to take part in the production. All students will receive awards. 5. The school will create a video that will be released later, to be included in the performance. 6.
